Bulletin #2020-AC-036

## NOTICE TO ALL CUSTOMERS

### Daily Rate Sheet Available in Optimal Blue or our LOS

FLC Bank is pleased to announce that we have partnered with Optimal Blue to place pricing at your fingertips on one of the industries most used pricing engines.

**You can access all pricing functions directly through OB. If you desire a rate sheet, you can obtain by logging into our LOS or contacting your Account Executive.**

Benefits to you with this new integration:

- Per diem enhancement pricing for extensions\*
- Ability to run pricing scenario and “save” as prospect
- Real time access to extend your locks
- Ability to request re-lock on line
- Same user ID/password as you utilize today
- Lender Paid compensation in priced into base pricing

*\*not applicable for jumbo product or 15-day pricing incentive*

**FLC Bank rates are typically published daily around 10:45AM ET. FLC Bank will send Users a daily communication when rates have been posted.**

Contact your AE if you have questions or training about using the new OB pricing integration.
